MAS INDUSTRIAL SOLUTION

DENAIR[®]

DENAIR COMPRESSED AIR SYSTEM

FROM 5.5-400 KW/7.5-550 HP

FREE AIR DELIVERY FROM 0.36 TO 75.64 M³/MIN

PRESSURE 3-40 BAR

GENIUE POWERFUL GERMANY
TECNOLOGY PROFESSIONAL
ENERGY SAVING SOLUTION

DENAIR[®] is a Sino-German joint venture enterprise and is considered as one of the leading manufacturer of air compressor products in Shanghai, China.

Our goal is to provide exceptional customer service coupled with quality products and energy saving solutions.

Our Products:

- Oil-injected rotary screw compressors
- Oil free air compressors
- High pressure piston air compressors
- Portable screw air compressors
- Air treatment equipment
- Vacuum pump
- Organic Rankine Cycle for waste heat recovery

We are MAS Industrial Solution, the distributor of Denair Air Compressor in Bangladesh to provide our best service to fulfill your expectation.

MAS INDUSTRIAL SOLUTION,
The Country Office Of
SHANGHAI JURRY PLASTIC MACHINERY CO., LTD.
In Bangladesh, Knocking You To Provide Our Best Service To Fulfill Your Expectation.

◆ **JURRY** Specialize in the R&D, production and sales of various plastics pipes, sheets, panels, profiles, board extrusion lines as well as plastic pipe moulds. With the pursuit of sincerity, trust, precision and high performance, we are dedicated to improving our customer company value and our value at the same time.

◆ **JURRY** After years of development, has become the leading brand in extrusion machinery, especially plastic pipe extrusion machinery in China. We enjoy high reputation among customers and also stand out with our extensive R&D.

◆ **JURRY** is granted of various technical patent certificates, ISO 9001.2008 Quality Management Certificate and CE Certificate of Compliance.

Shanghai JURRY Plastic Machinery Co., Ltd.

We (MAS Industrial Solution) are available here with:

- Excellent quality of product and service.
- You will find us with available on service call.
- We are here with available Spare Parts.
- With focus on energy saving, minimization of losses and maximization of production.

JURRY Products:

- PVC Φ 16mm- Φ 1200mm Pipe Extrusion Line
- HDPE/PPR Φ 16mm- Φ 2200mm Pipe Extrusion Line
- PVC/WPC Profile Extrusion Line
- PVC/WPC Door Panel Extrusion Line
- PVC/WPC Foam Board Extrusion Line
- Wave Sheet Extrusion Line
- PVC/WPC Granulation Line
- PPR Granulation Line
- PE Granulation Line

You are requested to feel free contact with us with any query and assuring you our best service at all times.

PIPE PROCESSING MACHINERY

We are MAS Industrial Solution is the agent of Jiangsu Yuyu Plastic Machinery Co., Ltd. - Changzhou Desheng Mould Factory. It's a professional manufacturer producing all kinds of Pipe Processing Machinery since 2003. The new Company Jiangsu Yuyu Plastic Machinery Co., Ltd. established in 2017 in Hexi Industrial Area, Jianshou Province nearby Shanghai City.

Products:

- R Type and U Type Belling Machine
- Thread Cutting Machine
- PVC Slotted Pipe Cutting Machine
- Pipe Belling Machine
- Auxiliary Machinery

We are (MAS Industrial Solution) the representative here of Jiangsu Yuyu Plastic Machinery Co., Ltd. in Bangladesh to provide our best service to fulfill your expectation.

PIPE PROCESSING MACHINERY

DS60-TA

全自动 V 型螺纹机
Automatic thread cutting machine
($\Phi\frac{1}{2}$ "- $\Phi 2$ ", triangular thread)

PVC PIPE THREAD CUTTING MACHINE
From 1/2" to 400 mm

PVC PIPE SLOTTING MACHINE
From 1.5" to 400 mm

全自动切槽机 B 型
Automatic slotting machine
($\Phi 1.5$ "- $\Phi 4$ ", horizontal type)

AUXILIARY MACHINERY

We are MAS Industrial Solution, the reputed company to supplying all kinds of auxiliary machinery to all Bangladesh customers.

- High Performance Crusher Machine for PVC, HDPE, PE PP Pipe
- Durable Shredder machine for Heavy Thickness PVC, HDPE, PE, PP Pipe
- Inverter Controlled High Speed Hot and Cool Mixer Machine
- Heavy Duty Pulverizer Machine for PVC, HDPE, LDPE, PP

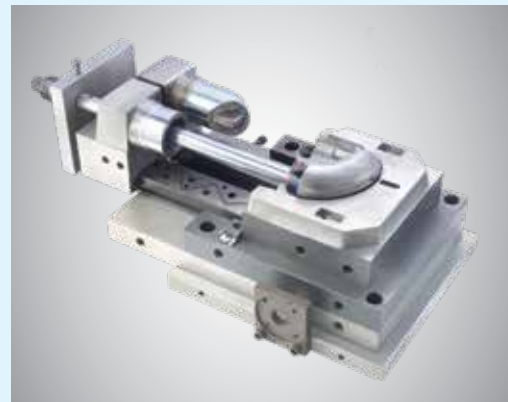

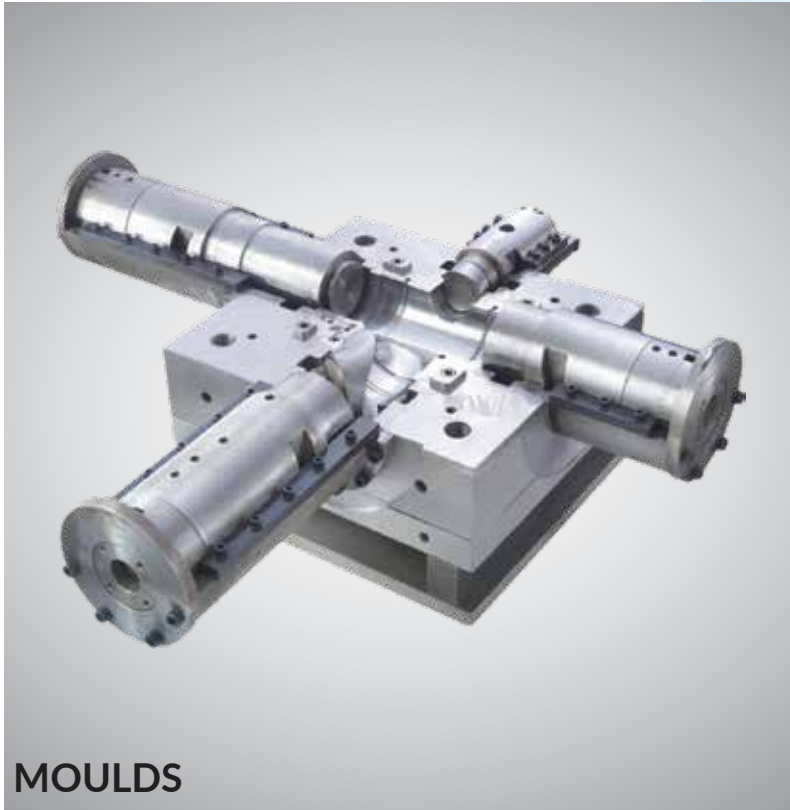

PRINTING AND HOT STAMPING MACHINE

We are MAS Industrial Solution, the reputed company to supply all kinds of printing and hot stamping machine to all Bangladesh customers.

- Hot Melt Laminating Machine
- Multifunctional Cold Glue Laminating Machine
- MDF Board Laminating Machine
- Multifunctional Laminating Machine
- Online Laminating and Heat Transfer Machine
- High and Low Temperature Heat Transfer Machine
- Profile Heat Transfer Machine
- High Glossy UV Printing Machine

HOT STAMPING FOIL

MOULDS

Zhejiang Huangyan GUYU Plastic mould Factory, is a professional manufactory for design and producing of injection pipe fitting moulds was founded in 1990 at Huangyan, Taizhou, Zhejiang, China

 introduces the latest facilities which has advanced CNC processing center, three-coordinate measuring machine, and precision testing equipment. It has experienced mould developing and designing people who has a good master of CAD, UG, Pro / E software to analyze the products design and manufacture the moulds for domestic and foreign enterprises.

 More than 160 manufacturers such as ERA, Zhongcai, Weixin and Kangtaiin domestic and well-known pipe and fitting manufacturers in Southeast Asia, the Middle East, Africa, Europe and other countries using with full satisfaction.

Products:

- U-PVC Drainage Pipe Fittings Mould
- PVC Inner Ring Groove Pipe Mould
- PE Key Mould
- PP-R and CPVC Pipe Fitting Mould
- Sewage Pipe Fitting Mould
- And very special moulds with customized desing up on customer request.

We are (MAS Industrial Solution) the representative here of Zhejiang Huangyan GUYU Plastic mould Factoryin Bangladesh to provide our best service to fulfill your expectation.

AUXILIARY MACHINERY

SML is very specialized in the manufacturing of plastic auxiliary equipment's are far exported to Europe, America, South East Asia and Middle East area. Our customers are enjoying a very good service from us.

Our goal is to provide exceptional customer service coupled with quality products and energy saving solutions.

Our products:

- Crushers (Low Speed Crusher, Medium Speed Crusher and Strong Crusher)
- Hopper Dryer
- Autoloader
- Industrial Chiller
- Mold Temperature Controller
- Dehumidifying Dryer
- Combination of Drying, Dehumidifying and Conveying
- Color Mixer
- Color Dose Mixer
- Belt Conveyor
- Industrial Robot and so on

We are (MAS Industrial Solution) the representative here of Ningbo SMANL Machine Co., Ltd. in Bangladesh to provide our best service to fulfill your expectation.

BAG MAKING MACHINERY

Products:

- Multi Layer Film Blowing Machine
- Side Sealing and Cutting Machine
- Zipper Bag Making Machine
- Rotogravure Printing Machine
- Volumetric Packing Machine
- Pouch Packing Machine
- Auxiliary Machinery

INJECTION MOLDING MACHINE

We are MAS Industrial Solution, the agent of tederic MACHINERY CO., LTD., in Bangladesh knocking you to provide our best service to fulfill your expectation.

tederic MACHINERY CO., LTD., is professional Injection Molding Machine Turn-Key solution supplier from China.

tederic Specialize in the R&D and perfectly applied in Pipe Fitting & Tunnel, Auto Parts & Home Appliance, Industrial & Civil Products, Logistics, Utility, Food & Medicine Package, Electronics & Office automation. With the pursuit of sincerity, trust, precision and high performance, we are dedicated to improving our customer company value and our value at the same time.

tederic Provided customized solutions to the clients all over the world and in possession of great reputation with the features of high efficiency, energy-saving and stability.

Our products:

- Toggle Type Injection Molding Machine (DT Series)
- Two-Platen Injection Molding Machine (DH Series)
- Full-Electrical Type Injection Molding Machine (DE Series)
- Multicolor Injection Molding Machine (DD Series)
- Vertical Injection Molding Machine (DJ Series)

You are requested to feel free contact with us with any query and assuring you our best service at all times.

COMPLETE BEVERAGE PRODUCTION LINE

Products:

- Full Automatic PET Preform Making & Blowing Machinery
- Water Purification System
- Full Automatic Filling Line
- Labeling & Shrinking Line
- Full Automatic Cap Compression Machine
- Capping Machine
- PE Film Paking Machine
- Auxiliary Machinery

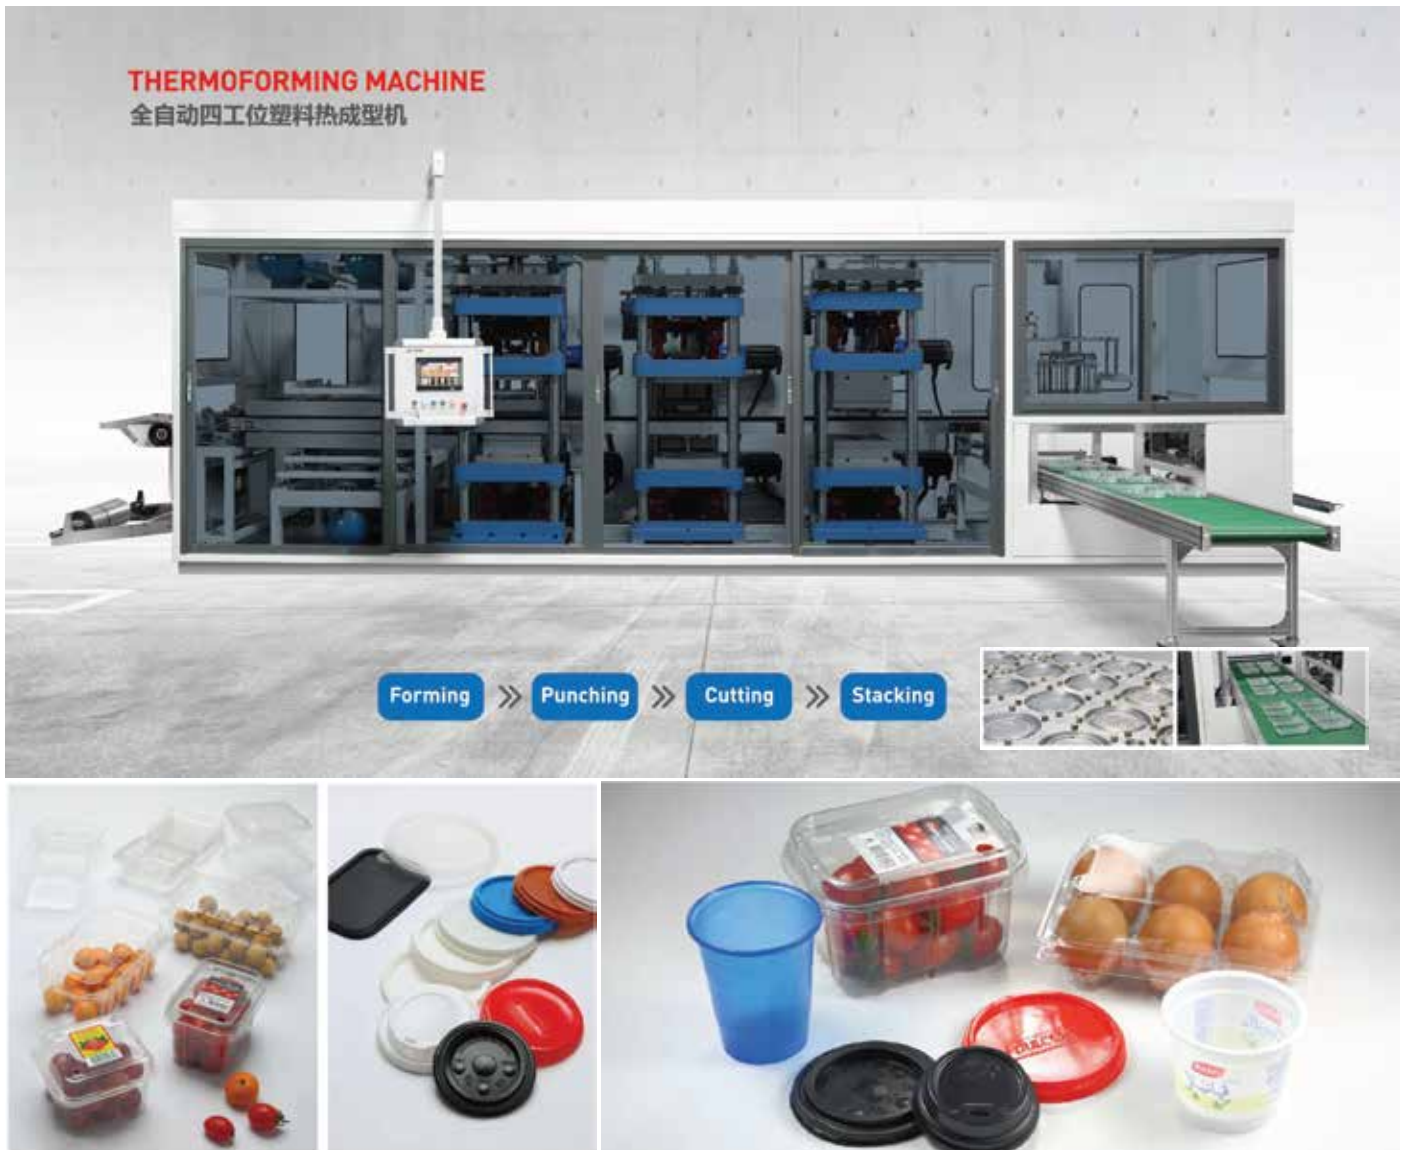

We are MAS Industrial Solution, suppling complete beverage production project to all Bangladesh customers.

THERMOFORMING DISPOSABLE GOODS MAKING MACHINERY

Products:

- Thermoforming Machine
- Single/Double Layer Sheet Extrusion Line
- Thermoforming/Vacuum Forming Moulds
- Auxiliary Machinery

We are professional supplier for complete thermoforming & disposable goods making machinery to all Bangladesh customers.
